

SPRING REWARDS NEWSLETTER - 2023

Welcome

To say spring always brings a fresh renewal seems so cliché, but every year as the daffodils reach for the sky and the forsythia all re-bloom, it's hard to deny that there seems like such a rebirth of the spirit and the land. It helps inspire us to refresh our doorways, homes, and yards.

Come and browse the marvelous shades of nature in our overflowing greenhouse and nursery. Colorful pottery and plants create an uplifting oasis to awaken the senses. Seasonal specials along with our warm and personal sales associates will help you make the possibilities endless. Let us help you nurture your own luscious green lawn. It's easy, cost effective, and rewarding.

As Robin Williams once said, "Spring is nature's way of saying Let's Party". This couldn't be more true as you gather family and friends around a new patio set to grill and nosh on some delicious treats from Stonewall Kitchen, Urban Accent grilling blends, and more. Enjoy fresh herbs right from your patio for your mojitos and for your favorite summer dishes.

We at Feeney's are inspired, excited and ready to share the bounty that nature has so generously offered us again this spring.

Come and smell the flowers!

Janet and Kathleen

Spring Refresh - Renew Your Entryway

The front door is the focal point of your exterior, making it the perfect place to add style and warmth to your home.

One of the easiest ways to do this is with a new spring wreath. Choose from our new spring arrivals, a style that inspires and uplifts. Select one of our pre-made exquisite wreaths of lavender, forsythia, geranium, and more, or let us design a custom wreath to create your own personal spring style.

Pack it with Planters

Greet your guests with displays of mix and match planters in various shapes and sizes. On sale now, these containers will create an elegant interest at your entrance. Let us help you design the perfect greeting from classic boxwoods to assorted colorful flowers and greens in various textures and heights. Together these overflowing containers and plants invite the perfect summer welcome!

Offer A Place To Greet Their Feet

A doormat is the entryway to your home and the first impression visitors receive. They add the finishing touch to your door and add excellent warmth and function to your home. They are a friendly and stylish way to greet your guests with color or whimsy. A quality doormat can keep up to 50% of dust out of your household. Our new selection of doormats offer tradition, elegance and purpose to any entryway. and home.

Add Solar Lights

Lighting your outside with lanterns and solar lights can go a long way to creating a safe and attractive environment. They are easy to install, efficient, long lasting and very affordable. They come in a variety of styles, sizes and options. Perfect for illuminating walkways and patios while adding cozy summer ambience. Enjoy savings of 50% off many of our beautiful styles.

*You have only one chance to make a first impression.
Why not make it a welcoming one!*

Summer Entertaining

At Feeney's when it comes to summer entertaining we have you covered!

Stonewall Kitchen

We are excited to add Stonewall Kitchen to your everyday cooking collection. Known for their quality food selection since 1991. Stonewall offers jams to mustards, to lemon pound cake to pancake mixes. They are sure to elevate any party to the next level of deliciousness.

Merrit Glasses

We continue to offer our ever popular kaleidoscope acrylic glasses because of their durability and beauty. These exquisite glasses are sure to impress family and friends while creating a fun and practical table.

Hostess Gift

There isn't a better hostess gift than Michel Design hand foaming soaps, dish towels or napkins.

Made with shea butter and aloe vera,

these soaps gently cleanse and moisturize while decorating your home with beautiful uplifting patterns to accent any color theme.

Ask The Expert

Can you recommend some easy to care for plants for the garden?

Favorite easy care annuals include:

Full to part sun

- marigold • petunias • salvia
- vinca • zinnias • geranium

Shade

- coleus • begonia • impatiens
- torenia • browallia • lobelia

Reliable, easy care perennials include:

- lavender • daylilies • russian sage
- black-eyed susan • coneflower

For best results use Bonide Root and Grow or Espoma Bio-tone when planting.

PA Preferred

Feeney's is proud to have been approved by the Pennsylvania Department of Agriculture as a "PA Preferred" member. We are also extremely proud to be the ONLY retail business in Bucks County to have this designation.

WHY BUY PA PREFERRED?

PA Preferred® is your resource for finding locally grown and processed agricultural products from Pennsylvania.

Feel the pride in helping your local community and economy by supporting local farms and their families.

CHECK FOR THE CHECK

The PA Preferred logo means you can trust that the products were grown right here in Pennsylvania. The following PA Preferred products can be found at Feeney's are trees, shrubs, flowering vines, herbs, bedding plants (annuals and perennials), vegetables, hanging baskets and more.

Spring Lawn Care

Seeding: Spring is an excellent time of the year to seed a new lawn or to overseed an existing lawn. For best results, we recommend using Jonathan Green, Veri Green or Greenview Starter Fertilizer. Remember to keep the seed bed moist until the grass seedlings become established. At that point, the watering frequency can be reduced. The new grass can be mowed when it reaches a height of about three inches. Let a Feeney's garden center associate help you select a seed mix that is most suitable for your lawn condition.

Liming: Generally most cool season grasses prefer a pH between 6.0 - 7.0. Much above or below this range tends to impact the grass plants nutrient uptake. Not sure if you need to lime? Bring in a small, dry sample of soil from a depth of about three inches, and we will test it for you. Our soil test is done here fast, is easy and free. Once your pH is determined, we can advise you on how to best proceed.

Fertilizing: Established lawns benefit from four applications of a balanced fertilizer per year. Early spring, late spring, early fall, and late fall are the most effective times to apply fertilizer. We recommend either the Bonide four phase program or the Espoma three season program. Each program shows great success and are easy to use.

Weed Control: Now is the best time to prevent crabgrass, other grassy weeds, and some broadleaf weeds from invading your lawn this spring. We recommend Bonide's Phase One Crabgrass and Weed Preventer. This product provides up to four months protection, and has both pre and post emergent capabilities. If you plan on seeding, do not use this product as it will inhibit grass seed germination; instead, use Jonathan Green Crabgrass Preventer Plus New Seeding Lawn Fertilizer.

Now is also an excellent time to control broadleaf weeds in your lawn. We recommend liquid Weed Beater Ultra. This product is fast acting; usually visible results will occur within 24 hours. It kills over 200+ listed broadleaf weeds. It performs well in both cool and warm temperatures and the area can be reseeded in only two weeks if needed.

Beautiful Blooms In Your Garden All Summer Long

There are many benefits of planting spring and summer-blooming annuals in the garden. Annuals offer bright colors, varying heights and textures. When you plant any of the flowers below, you can enjoy beautiful blooms through the fall season and enjoy the benefits of your hard gardening work until early frost!

- Begonia – Glossy leaves, part sun to shady areas
- Zinnia- Tall & short varieties available
- Impatiens – Partial sun to shade
- Calibrachoa – Trailing color
- Ageratum – Mounds of color
- Marigolds – Drought tolerant and critter resistant
- Snapdragons – Cold and heat tolerant
- Cosmos – Colorful daisies
- Geraniums – Great in containers and the garden

All of these plants are great in the ground and in containers. Choose from many sizes. Be sure to fertilize with Espoma Super Blossom Booster for vibrant colors.

Flowering Tropical Plants for Patios and Decks

Tropical plants make great outdoor container plants and are known for their exotic colorful flowers. This makes them perfect for adding a touch of luxury to summer get-togethers. When you get out the lawn chairs, tiki torches, and grill for the summer, don't forget to pick up a few of these beautiful flowering plants. Exotic flowers will turn your patio into the ultimate tropical oasis. The following plants can really spice up your outdoor seating area: Hibiscus, Dipladenia, Mandevilla and Gardenia - all available in 6" & 10" pot sizes.

Pair up with Espoma Organic potting mix and Super Blossom Booster for a show that will make all the neighbors jealous!

USDA Organic Vegetable & Herbs
